Professional Training for a Career in Care

Start Your Career in Care Today

Gain the Skills, Knowledge and Confidence to Work in Healthcare

Our Introduction to Care Course provides you with the essential training to begin your career in the health and social care sector.

- Learn essential care skills
- Receive recognised certificates
- Build your confidence in a practical setting
- Opportunity to be referred to Brookes HC Recruitment Ltd for agency work

£225
Total cost for the full training programme

A 4 STAGE TRAINING PROGRAMME

1 Online Training
Approx. 15–18 hours to complete within 7 days.

Complete 20 essential care modules online, with videos and multiple-choice assessments. Receive certificates on completion.

2 Manual Handling Training
6 hours at our office.

Gain hands-on experience using equipment commonly found in care settings, including hoists and slide sheets.

3 Assessment & Introduction
Approx. 1 hour (at the office).

Complete a test based on your online learning, plus an introduction to the Code of Conduct and expectations when working within healthcare settings.

4 Shadow Shifts
12 hours (unpaid).

Complete 12 hours of shadow shifts in a partnered care home. You will be assessed by the manager or nurse on your practical skills and suitability.

COURSE TOPICS INCLUDE

- Anxiety
- Assessing Needs
- Care Planning
- Challenging Behaviour
